UPON THE OCCASION OF THE DEPARTURE OF DONNA RUTHERFORD FROM THE EAST PALO ALTO CITY COUNCIL

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 19, 2018

Ms. SPEIER. Mr. Speaker, I rise to honor Donna Rutherford who is leaving the city council of East Palo Alto after a total of 25 years of service to the residents of her remarkable community. Donna is a steady voice of reason and a warm, committed person who welcomes all who enjoy her city's diversity, opportunity, and vitality.

East Palo Alto is a city in the midst of great change. As a town of nearly 30,000, the community is at the crossroads of two major highways, deep in the heart of Silicon Valley. Donna Rutherford understands that the economic forces shaping East Palo Alto must not be allowed to change the diverse population of the community but instead be harnessed to create opportunity for all its residents.

Central to opportunity is housing, and as a councilwoman Donna Rutherford advocated for and supported the construction of affordable housing for all populations. While Mayor, she approved of, and then joined in turning the ground for, a long-awaited senior project—University Avenue Senior Housing. On the council, she consistently spoke about the need to develop the city's parcel on Weeks Street, a project that will come to fruition in the next few years thanks in part to her vote. She also supported the use of a city-controlled lot that will soon become a supervised, nighttime parking location for residents living in their recreational vehicles.

Her dedication to opportunity did not begin with the council. As a school volunteer while her children were in elementary school, she attended school board meetings so frequently that some thought she was a district employee. She ran for the school board and was successful, serving from 1988 to 2000, including some of the most difficult years of school funding by the state.

At one point, students approached the city council with a study showing that East Palo Alto had more liquor stores per capita than surrounding communities. The council took note, and Donna celebrated their investment of time and energy, noting years later that stu-

dents have so much potential to make a difference. Liquor stores have gradually given way to a thriving retail center, a hotel and office complex and other improvements to East Palo Alto's quality of life.

As a councilmember, Donna Rutherford represented the city on the San Mateo County Vector Control District board, as an alternate on C/CAG—an agency formed from cities throughout San Mateo County, on the county library board, and the wastewater management board. She is also the city's alternate on numerous other important boards impacting the quality of life of residents.

Mr. Speaker and Members, East Palo Alto is definitely a city on the move. It will miss the leadership of Donna Rutherford, but her moral authority and authentic voice of concern, filled with wisdom, will continue for many years to come. She once noted of her childhood neighborhood, Hunters Point, that she loved living near the bay. The winds sometimes blow hard across both Hunters Point and East Palo Alto, two communities with a vast bay shoreline, but the winds will never extinguish the will to serve that lives within the heart of Donna Rutherford. Donna Rutherford is a friend and colleague whose guidance I will miss as East Palo Alto continues to evolve. I know she will still be available to offer her sage advice.

As she retires from the council, I wish her, her husband, Joe, and her children Trevor, Roxanne, and Damaris well in the years to come and we know that new adventures await this relentless leader of East Palo Alto.

IN APPRECIATION OF SACHA HAN FOR HER DEDICATED CAREER OF PUBLIC SERVICE

HON. EDWARD R. ROYCE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 19, 2018

Mr. ROYCE of California. Mr. Speaker, I rise to today to recognize one of my longest serving staff members—Sacha Han. Sacha grew up in Fullerton, California in the heart of my Congressional District.

She came to my office as a High School student, seeking to intern and learn more about the government. We don't take many High School students as interns, but Sacha was smart, poised, and wise beyond her years, and she was a great addition to my District Office. When Sacha graduated from High School, she came East to attend the George Washington University, right here in Washington, D.C. Once again, Sacha interned in our office, doing such a good job that we hired her for a full-time staff position upon her graduation from college.

Sacha became such a key part of my staff, that when she announced that she was leaving the office to attend Nursing School, we persuaded her to continue to work part-time while she attended school. She not only continued through nursing school, but she has remained on my staff to this day—20 years after she first walked into my District Office.

Sacha is a joy to work with, and I am grateful for her service to the constituents of the 39th District of California, to my office, and to the House of Representatives. In addition to working two jobs, she is also a wife to Eduardo, and a mother to Bianca and Liam. I know that they too are very proud of Sacha.

I thank Sacha, and wish her and her family all the best.

PERSECUTION OF THE BAHAI

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 19, 2018

Mr. ENGEL. Mr. Speaker, I rise to condemn Iran's state-sponsored persecution of its Baha'i minority.

While the global community is rightfully concerned about Iran's ties to international terrorism and its destabilizing activities in the region, we must not forget those who struggle for religious freedom and basic civil liberties in Iran.

As the largest non-Muslim religious minority community in Iran, the Baha'i people have long been subjected to severe religious persecution by the Iranian regime. Several of its leaders have been arrested, and members have been executed. According to the 2018 International Religious Freedom Report, Iranian authorities have arbitrarily detained over 1,000 Baha'is over the past decade.

The Baha'i people are routinely and systematically discriminated against on the basis of religion. Since 2014, officials have infringed on the economic pursuits of the Baha'i by closing over 600 of their shops.

In addition, Baha'i children are regularly denied access to schools and higher education. Even if they are permitted to attend school, they are not free to learn about their religion or participate in religious practice. If they do, they face harassment and potentially expulsion.

The discrimination and persecution of this community is shameful and inexcusable. The social teachings of the Baha'i Faith—including the equality of all humans, regardless of gender, race, or class, and the principle of each individual's responsibility to investigate the truth—are universal values that should be guaranteed. These are human rights we must protect.

The United States and the international community must not ignore this egregious abuse and blatant discrimination against the Iranian Baha'i community. We must stand up to the Iranian regime and hold it accountable for its actions.

By passing H. Res. 274, we shine a light on the persecution of the Baha'i, and hopefully move us one step closer to true religious freedom in Iran.
